

Events

THE RANGE

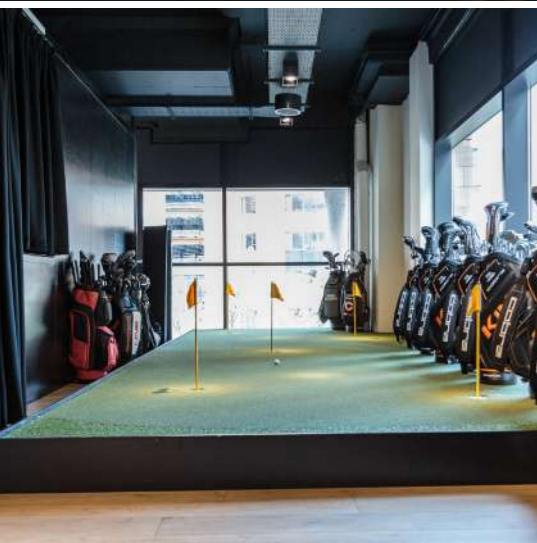

The Range in Spinningfields is a unique events space which brings the world's greatest golf courses and a premium clubhouse experience to the heart of Manchester.

Welcome to a venue with a difference

Our indoor golf club and flexible events space encompasses two bars as well as stylish restaurant Albatross and Arnold, and combined with the highest standards of hospitality and service, allows us to provide a premium experience like no other.

With five state of the art Foresight simulators, you can choose to play over 80 of the world's top golf courses, enjoy fun games and competition play, or even use our HD screens for VR race car driving and shooting games.

Facilities

- 5 private booth areas with 160" inch HD screens
- State of the art golf simulator per booth, all using Foresight Technology plus newest range of Cobra F9 clubs for use on simulators (right and left-handed, gents and ladies, normal and stiff)
- Playstation with a selection of games available including Fifa
- BT and Sky Sports available in each private booth, and promotional videos can be shown on one or more screens for exclusive events
- Microphone, projector and integrated sound system (DJ can be set up to play throughout the whole venue)
- 2 bars
- Interconnecting 40 seat restaurant, Albatross & Arnold (can also be set up as board room)
- Convenient city centre location (Spinningfields)
- Dedicated Events Manager who will design and manage your event

Creating your event

Our events packages are flexible and tailored to the specific requirements of each client. Whether you're looking for a private space to deliver a key business presentation followed by a working lunch, a golf-themed birthday celebration or a fun away day for your team, we can deliver the perfect occasion to meet your brief.
